

Master Class on Perforator Propeller Flaps From Concepts to Clinical Mastery

Perforator–Propeller flaps are often underutilized in clinical practice. Many surgeons perceive them as complex or risky, prone to complications and technically demanding.

This focused Masterclass aims to change that perception.

Join us for an intensive, clinically driven program that covers the entire spectrum of perforator–propeller flaps from fundamentals to surgical techniques which spans reconstructions across all anatomical areas.

This exhaustive Masterclass on Perforator–Propeller Flaps will include focused lectures on core concepts and operative videos of Perforator – Propeller flaps providing practical insights across diverse anatomical regions. The core concepts and videos are strategically grouped for easy browsing.

Welcome to the Masterclass on Perforator Propeller flaps. Happy Viewing!

Core Concepts

History & Evolution of Perforator – Propeller flaps

Nomenclature /Classification of Perforator – Propeller flaps

Advantages & Disadvantages of Perforator – Propeller flaps

Preoperative evaluation for Perforator – Propeller flaps

Planning, Designing & Bio-Geometry of Perforator – Propeller flaps

Technical Considerations in Perforator – Propeller flap harvest

Perforator – Propeller flaps for Face

Perforator – Propeller flaps for Upper Extremity

Perforator – Propeller flaps for Trunk & Pressure sores

Perforator – Propeller flaps for Lower Extremity

Perforator – Propeller flaps for Post Burn Reconstruction

Avoiding & Managing Complications in Perforator – Propeller flaps

Operative Videos

Perforator Propeller Flaps for Face

Propeller flap for Cheek/Eyelid

Propeller flap for Medial canthal defect

Propeller flap for large nasal defect

Nasolabial perforator flap for intraoral reconstruction

Perforator Propeller Flaps for Upper Extremity

Propeller flap for dorsum hand defect

Propeller flap for wrist defect

Quaba – Propeller flap

Extended Quaba – Propeller flap

Digital artery perforator flap

Ulnar digital artery perforator flap for little finger

Perforator Propeller Flaps for Trunk/Bedsore

SCIP Propeller flap for Labia Majora contracture

SGAP Propeller flap for pressure sore

Perforator Propeller Flaps for Lower Extremity

ALT Propeller flap for knee defect

AMT Propeller flap for knee defect

Medial Sural Artery Perforator based Keystone for Proximal tibia

Peroneal Artery Perforator based Keystone for Proximal tibia

Propeller flap(PTA) for Ankle defect

Medial Plantar artery perforator flap for Tendo Achilles defect
